Mrs. Selby's Sentiments:

Another school year is nearly over! I'm excited about all of the activities we have planned for the remainder of the year and hope to see many people attending these.

Please check out the information about summer school and Kinder Plus in this newsletter! I'll see you again on August 29th!

Field Day/Hot Dog Lunch: Once again it is time to have some fun for the entire day with our fabulous field day! Field Day will be held Friday, June 9th come rain or shine and it will be run by Mr. Schorman, the Physical Education teacher here at Maconce Elementary School. Mr. Schorman could use as many volunteers as possible for this event, so if you can join your son or daughter for the day and help out, it would be greatly appreciated. Please make sure you are on the volunteer list or fill out the appropriate form as soon as possible.

Relay for Life:

Relay for Life: On June 10, please help support this fight to find a cure for cancer. The Maconce Student Council has been helping in many fundraising efforts. This will be held at the Middle School North track. It is

one team all together. Our theme is The Incredibles. Be Incredible! Help find a cure for cancer! Please join us!
