CAREER DAY APRIL 5TH

Once again this year Sugarbush would like to host a "Career Day" for students in grades 1-5. We are **still looking** for individuals who are willing to spend the day (12:00-3:00 p.m.) at school talking to children about their career. If you or any of your friends are available on April 5th and would like to give our children an insight into the qualifications, educational background, training, and type of work involved in your career, **please send in a note including your name, the student's name and room, a phone number and the best time to contact you, and the career you would present and return as soon as possible so that we can coordinate this event.** Our children were so excited and receptive to the presentations last year and our "guests" expressed genuine pleasure at the reaction and interaction with our students.

PARENT VOLUNTEERS WANTED FOR FAMILY FUN DAY

Interested? We could use some extra hands in the set up, clean up, and running of games and activities. If you can help the day of (April 1st) or would like to help with the coordination of the event, please contact Donna Warren at home (586-598-9838) or cell (586-709-6691) or email at goofymamma@comcast.net
